

VicksWeb offers 2 ways to extend your content's reach to as many eyeballs as possible.

VIP Accounts

Upgrade your Profile to VIP status to get more from your account. VIP Profiles have access to many features that regular Profiles do not. These features are:

1. Insert your comment wall into any Newsroom of your choice.
2. Unlimited characters when commenting.
3. BBCode Tags when commenting.
4. Ability to post images in comments.

5. URL Recognition.
6. Ability to delete your own comments.
7. Ability to delete other comments on your Profile
8. Ability to edit your own comments.
9. Ability to upload pictures to homepage feed.

Upgrading costs just \$5/month and can be cancelled anytime. You can try the first month for free and can upgrade your account by [clicking here](#) .

Display Ads

Display ads are image/video ads that are displayed on VicksWeb either on desktops or mobile devices. You can get started by [creating a new ad here](#) .
